

## Grading Practices

School: Landstown Middle School

Subject(s): French 1

Grade Level: 7 and 8

### Homework

Homework may be given as extra practice; however homework will not be graded. It is solely for the purpose of extra practice at home. Some classwork assignments may need to be completed at home if not finished in a timely manner in class and these assignments may be taken up for a grade.

### Late Work

Students should make every effort to submit work by the assigned due date; however, in the event that the student misses the due date, the student should work with his/her teacher to submit the assignment as soon as possible. Students may be required to participate in Administrative Academic Detention (after school) to complete any missed work.

### Explanation of Zeroes

A designated code in the gradebook will be used to communicate missing work. When an assignment is missing, the code **Mi** (Missing) will be temporarily recorded averaging as a 0. Once the assignment has been made up, the updated grade will be reflected in the gradebook. If the assignment remains incomplete, it will remain a 0 with no code attached.

\*All missing work must be submitted one week prior to the end of each grading period.

### Reassessment

Students who receive a failing score on any summative assignment will be given the opportunity to be reassessed provided that the student meets the following:

- Participated in class
- Completed all assignments
- Demonstrated appropriate effort

### **Make-up Work**

When a student is absent, the student should request missed work and the teacher will provide all relevant assignments. The number of days a student has to turn in make-up work will equal the number of days the student was absent. Teachers will take into consideration a student's individual circumstances.

### **Extra Credit**

Extra credit will not be accepted.
