

## Grading Practices

School: Landstown Middle School

Subject(s): Civics/Economics

Grade Level: 8th Grade

### Homework

Homework will be assigned on an occasional basis to reinforce learning, and to allow for the completion of classwork. Homework will constitute 5% of the total grade.

### Late Work

Students should make every effort to submit work by the assigned due date; however, in the event that the student misses the due date, the student should work with his/her teacher to submit the assignment as soon as possible. Students may be required to participate in Administrative Academic Detention (after school) to complete any missed work.

### Explanation of Zeroes

A designated code in the gradebook will be used to communicate missing work. When an assignment is missing, the code **Mi** (Missing) will be temporarily recorded averaging as a 0. Once the assignment has been made up, the updated grade will be reflected in the gradebook. If the assignment remains incomplete, it will remain a 0 with no code attached. \*All missing work must be submitted one week prior to the end of each grading period.

### Reassessment

Students who receive a failing score on any summative assignment will be given the opportunity to be reassessed provided that the student meets the following: Participated in class; completed all assignments; and, demonstrated appropriate effort.

### Make-up Work

When a student is absent, the student should request missed work and the teacher will provide all relevant assignments. The number of days a student has to turn in make-up work will equal the number of days the student was absent. Teachers will take into consideration a student's individual circumstances.

### Extra Credit

Extra credit will not be accepted on an individual basis.
